

Native Lands

Natural Skincare Inspired by Tradition

Introduction

Welcome to Native Lands, where time-honored natural remedies meet modern skincare science. Our premium facial moisturizer is designed to nourish, hydrate, and rejuvenate your skin using only the highest quality, responsibly sourced ingredients. Offered in three unique forms—a luxurious cream, a refreshing gel, and a convenient lotion tester package—each product is crafted to meet your individual skincare needs.

Product Overview

Native Lands Facial Moisturizer is available in the following formats:

- **Nourishing Facial Moisturizer Cream:** A rich, sumptuous cream that delivers deep hydration and a silky texture—ideal for an indulgent moisturizing experience.
- **Nourishing Facial Moisturizer Gel:** A lightweight, non-greasy gel that refreshes and revives your skin with a cooling sensation—perfect for fast absorption.
- **Lotion Tester Package – 4 Lotions per Package:** An exclusive tester set containing four mini lotion samples, allowing you to experience our formulation before committing to a full-size product.

Note: All formats are produced using the same premium blend of active ingredients, uniquely prepared into a cream, gel, or lotion tester form.

Formulation Breakdown

Our advanced moisturizer is formulated with a carefully measured blend of natural actives and supportive ingredients. Below is an approximate breakdown by percentage:

Active Botanical Extracts (Approximately 25% Total):

- **Aloe Vera (*Aloe barbadensis miller*):** 12–15% – Soothes and hydrates while calming irritated skin.
- **Sage Extract (*Salvia officinalis*):** ~2% – Offers cleansing and balancing benefits.
- **Calendula Extract (*Calendula officinalis*):** ~2% – Renowned for its healing and anti-inflammatory properties.
- **Coconut (*Cocos nucifera*):** ~3% – Nourishes and moisturizes while supporting the skin's barrier function.
- **Patchouli (*Pogostemon cablin*):** ~0.8% – Provides a warm, earthy aroma.
- **Basil (*Ocimum basilicum*):** ~0.5% – Contributes a fresh, herbaceous scent.
- **Clary Sage (*Salvia sclarea*):** ~0.5% – Adds a subtle floral note and extra soothing properties.

Emollients & Occlusives (Approximately 5% Total):

- **Beeswax (*Cera alba*):** 1–2% – Forms a natural protective barrier to lock in moisture.

Moisturizing Base & Excipients (Approximately 70% Total):

A blend of Water (Aqua), Glycerin, Dimethicone, CocoCaprylate, Cetearyl Oliviate, Sorbitan Oliviate, Acrylates/C10-30 Alkyl Acrylate Crosspolymer, and other skin-friendly components creates a lightweight, non-greasy base that delivers lasting hydration.

Clinical & Technical Data

- **pH Balance:** Approximately 5.5 – ideal for preserving the skin’s natural barrier.
- **Dermatological Testing:** Over 95% of users reported improved hydration and a reduction in fine lines within 30 days of regular use.
- **Shelf Life:** Stable for 24 months under standard storage conditions.
- **Texture & Absorption:** Delivered in cream, gel, or lotion tester forms—each designed to provide effective hydration without clogging pores.
- **Quality Standards:** Manufactured in a GMP-certified facility and produced in compliance with ISO 22716 (Cosmetic Good Manufacturing Practices) and ISO 9001 standards, meeting strict U.S. FDA guidelines.
- **Heavy Metals:** Rigorous testing confirms that there are *no traces* of heavy metals (lead, arsenic, mercury, or cadmium) in our product.
- **Microbial Quality:** Comprehensive microbial testing ensures the formula is free from harmful bacteria, yeast, and mold.
- **Pesticide Residue:** Ingredients are carefully screened and certified free of harmful pesticide residues.
- **Preservative Efficacy:** Tested to ensure effective preservation and product safety throughout its shelf life.
- **Allergen Testing:** Formulated to minimize allergenic potential and is suitable for sensitive skin.

Suggested Use

1. **Cleanse:** Begin with a gentle cleanser to remove impurities.
2. **Tone:** Apply a toner to restore pH balance.
3. **Moisturize:** Apply a thin layer of your chosen product (cream, gel, or lotion tester) to the face and neck, morning and night. Gently massage until fully absorbed.
4. **Finish:** Allow the product to settle before applying makeup or additional skincare products.

Safety & Warnings

- For external use only.
- Avoid contact with eyes. If contact occurs, rinse thoroughly with water.
- Keep out of reach of children.
- Discontinue use if irritation or adverse reactions occur.
- Store in a cool, dry place away from direct sunlight.

About Native Lands

At Native Lands, we are dedicated to creating skincare products that honor nature and tradition. Our formulations blend pure, responsibly sourced ingredients with cutting-edge science to deliver visible, effective results. Each product is designed not only to enhance your skin's appearance but also to provide a luxurious, sensory experience that elevates your daily skincare ritual.
